Actually I realized as I went further along that it was Gunnar who was involved - I grabbed him last time I saw him to ask - thanks though, Tom! (It was for Gorst so a separate issue...)

I've never heard of the Robinson Brownsfield. I was involved briefly on the McConkey/Sesko/Penn Plaza Phase 1 work, but that work was picked up by Dan Miller, and later Phil Williams. I'm in this afternoon if you want to give me a call

Hi Tom,

I'm hoping you can help me with this question - I'm working on a public records request involving the McConkey/Sesko brownsfield property issue - does the *Robinson* brownsfield issue have anything to do with these two properties? Mrs. Sesko asked for records relating to the Pennsylvania Avenue brownsfield issue, and I'm not familiar enough with the area/issue to know?

Thank you!
